[01] INTRODUCTION AND ACCEPTANCE OF TERMS

By browsing the website https://fuzailverse.pages.dev/, downloading, installing, registering for, or utilizing any mobile application engineered, published, or maintained under the FuzailVerse umbrella, you acknowledge that you have read, understood, and agree to be bound by these Terms and Conditions ("Terms") and our Privacy Policy.

If you do not agree with any provision set forth herein, you must immediately refrain from accessing the website, cease using our software, and uninstall all FuzailVerse application packages from your devices.

[02] OPERATOR IDENTITY AND LEGAL STATUS CONFIRMATION

FuzailVerse is an independent proprietary mobile systems architecture enterprise operated by Mohammad Fuzail, Senior Flutter Developer and Mobile Application Specialist, based in New Delhi, India ("Operator").

FLAG FOR OPERATOR CONFIRMATION: The software and services are provided under the personal professional identity of Mohammad Fuzail. If a formally registered business entity (such as a Private Limited Company or LLP) is incorporated to succeed this enterprise, this agreement will be updated accordingly without affecting your accrued statutory rights.

[03] ELIGIBILITY AND AUTHORITY TO CONTRACT

You represent and warrant that you possess the full legal capacity to enter into these Terms:

1. Age Threshold: You must be at least 18 years of age, or have reached the legal age of majority in your jurisdiction. Where an application is utilized by a minor under applicable law (such as educational or youth loyalty programs), the user represents that a parent or legal guardian has reviewed and consented to these Terms on their behalf.

2. Commercial Authority: If you access or register for enterprise software (such as BirlaNu Rewards, Parker Loyalty Platform, FieldPulse, or PepsiCo Growth Club) on behalf of a corporation, partnership, or trade entity, you warrant that you are duly authorized to bind that entity to these Terms.

[04] LIMITED LICENSE GRANT AND INTELLECTUAL PROPERTY RIGHTS

Subject to your ongoing compliance with these Terms, the Operator grants you a limited, revocable, non-exclusive, non-transferable, non-sublicensable personal license to install and run the executable binary object code of our applications on authorized personal or commercial mobile devices.

Proprietary Ownership: All software code, graphical user interfaces, animations, custom illustrations, SVG brand marks, architectural diagrams, system designs, documentation, and database schemas are the valuable intellectual property of Mohammad Fuzail and/or client organizations that have commissioned custom software under commercial contract.

Third-Party Trademarks: Trademarks, logos, and brand assets belonging to commercial clients (including ITC, Spark Minda, BirlaNu, Parker Hannifin, PepsiCo, and TASC) remain the exclusive property of their respective corporate owners and are referenced solely to describe field deployments and operational responsibilities.

[05] USER OBLIGATIONS, ACCOUNT SECURITY, AND DEVICE INTEGRITY

Users are solely responsible for maintaining the operational security of their accounts and devices:

1. Credential Confidentiality: You are responsible for safeguarding any passwords, SMS OTP codes, or session tokens utilized to access FuzailVerse software. You agree to notify us immediately at mohdfuzail.dev@gmail.com upon discovering any unauthorized access or compromise of your credentials.

2. Data Accuracy: You warrant that all information submitted during account registration, KYC verification, invoice uploads, or field audits is truthful, current, and complete.

3. Device Integrity: You must ensure that your host device complies with minimum operating system security standards. Running FuzailVerse software on jailbroken, rooted, or compromised operating systems invalidates warranty assurances and may trigger automated security lockout.

[06] ENTERPRISE ROLE-BASED ACCESS AND MULTI-TIER PERMISSIONS

Certain FuzailVerse software implements multi-tier Role-Based Access Control (RBAC). For example, Parker Loyalty Platform supports 4 distinct user tiers (Field Sales Reps, Distributors, Retail Partners, Administrators); FieldPulse restricts supervisory dashboards to authorized territory managers.

You agree strictly to access only the modules, dashboard views, and operational workflows authorized for your designated role. Any attempt to circumvent role restrictions, forge authorization headers, or access administrative portals constitutes a material breach resulting in immediate termination and potential civil or criminal liability.

[07] LOYALTY POINTS, REWARDS LEDGERS, AND INCENTIVE GOVERNANCE

Applications featuring points ledgers and reward redemptions (including BirlaNu Rewards, Parker Loyalty, Classmate Star Club, and PepsiCo Growth Club) operate under defined operational parameters:

1. No Inherent Monetary Value: Loyalty points accrued within applications represent promotional engagement units and possess no independent cash or property value outside authorized redemption workflows.

2. Fraud Auditing & Revocation: The Operator and sponsoring enterprise clients maintain the absolute right to audit all transactions. Submissions involving duplicate QR scans, counterfeit invoices, altered purchase receipts, or collusive transactions will result in the immediate forfeiture of accumulated points and permanent account termination.

3. Redemption Fulfillment: Cash disbursements (via UPI or Direct Bank Transfer) or gift card redemptions are subject to successful KYC verification and bank processing windows. The Operator is not liable for disbursement delays caused by third-party banking rails, invalid IFSC details, or recipient account restrictions.

[08] PROHIBITED ACTIVITIES AND SECURITY SAFEGUARDS

When interacting with our web platform or applications, you expressly agree NOT to:

* Reverse Engineer: Decompile, disassemble, reverse engineer, or attempt to derive source code from executable application binaries or byte code.
* GPS Spoofing & Mock Locations: Utilize mock-location mock providers, fake GPS software, or proxy coordinates to spoof attendance, store visits, or audit locations in field applications such as FieldPulse.
* Automated Scraping: Deploy bots, scrapers, crawlers, or automated scripts to harvest catalog SKUs, pricing, contact details, or user records.
* Fraudulent Submissions: Upload forged invoices, manipulated documents, misleading photos, or stolen identification credentials.
* Infrastructure Tampering: Interfere with, overburden, compromise, or bypass any security control, rate limit, or firewall defending our servers.
* Malicious Payloads: Inject viruses, Trojan horses, worms, logic bombs, or other technologically harmful components into our applications or backend APIs.

[09] THIRD-PARTY SERVICES, STORES, AND EXTERNAL HYPERLINKS

FuzailVerse software interfaces with third-party platforms, including Google Play, Apple App Store, Firebase, Razorpay, and enterprise ERP backends. The availability, pricing, terms of service, and privacy policies of third-party platforms govern your relationship with those entities.

The Operator does not endorse, control, or assume liability for third-party websites, external APIs, or banking gateways. Interacting with third-party services is conducted entirely at your own risk.

[10] APPLICATION AVAILABILITY, UPDATES, AND MAINTENANCE

We continuously optimize, enhance, and update our software. We reserve the right to issue mandatory application updates via the Google Play Store or Apple App Store to patch security vulnerabilities, enhance features, or resolve operational faults.

While our offline-first applications (such as InClinic Assistant, DIGISPARK, and FieldPulse) are designed to function without internet connectivity, cloud synchronization and real-time ledger updates require reliable network access.

We do not guarantee that software or services will remain uninterrupted, completely error-free, or compatible with obsolete operating system versions that have reached end-of-life support by Google or Apple.

[11] SERVICE SUSPENSION, DEACTIVATION, AND TERMINATION

The Operator and sponsoring enterprise partners reserve the right, in their sole discretion, to suspend, throttle, or terminate your access to any application, points ledger, or service at any time, with or without prior notice, upon:

1. Any material breach of these Terms or associated application policies;

2. Suspected fraudulent, abusive, or collusive transactional behavior;

3. Official request or instruction by a sponsoring enterprise client, commercial partner, or law enforcement agency;

4. Discontinuation or commercial decommissioning of the specific application or portfolio service.

Upon termination, all licenses granted under these Terms immediately cease, and you must delete the application from your device.

[12] DISCLAIMERS OF WARRANTIES ("AS-IS" AND "AS-AVAILABLE")

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE FUZAILVERSE WEB PLATFORM, APPLICATIONS, ARCHITECTURAL DESIGNS, AND SERVICES ARE PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS, WITH ALL FAULTS AND DEFECTS.

MOHAMMAD FUZAIL AND ASSOCIATED PARTNERS EXPRESSLY DISCLAIM ALL WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, ACCURACY, NON-INFRINGEMENT, AND FREEDOM FROM COMPUTER VIRUSES OR OTHER HARMFUL CODE.

NO ADVICE OR INFORMATION, WHETHER ORAL OR WRITTEN, OBTAINED BY YOU FROM THE OPERATOR OR THROUGH OUR SOFTWARE SHALL CREATE ANY WARRANTY NOT EXPRESSLY STATED HEREIN.

[13] LIMITATION OF LIABILITY

TO THE MAXIMUM EXTENT PERMITTED UNDER APPLICABLE LAW, IN NO EVENT SHALL MOHAMMAD FUZAIL, FUZAILVERSE, ITS AFFILIATES, AGENTS, CONTRACTORS, OR CLIENT SPONSORS BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, PUNITIVE, OR EXEMPLARY DAMAGES WHATSOEVER.

THIS EXCLUSION INCLUDES, WITHOUT LIMITATION, DAMAGES FOR LOSS OF PROFITS, LOSS OF REVENUE, LOSS OF GOODWILL, LOSS OF DATA, DEVICE MALFUNCTION, WORK STOPPAGE, OR LOSS OF BUSINESS REPUTATION, ARISING OUT OF OR IN CONNECTION WITH THE USE OR INABILITY TO USE OUR APPLICATIONS, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

IN JURISDICTIONS WHERE THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES IS RESTRICTED BY LAW, OUR TOTAL AGGREGATE LIABILITY ARISING FROM OR RELATED TO THESE TERMS SHALL NOT EXCEED THE TOTAL AMOUNT ACTUALLY PAID BY YOU TO FUZAILVERSE FOR ACCESS TO THE SPECIFIC SOFTWARE IN THE PRECEDING TWELVE (12) MONTHS, OR ONE THOUSAND INDIAN RUPEES (INR 1,000), WHICHEVER IS LESS.

[14] USER INDEMNIFICATION

You agree to defend, indemnify, and hold harmless Mohammad Fuzail, FuzailVerse, and their respective officers, agents, contractors, and client partners from and against any claims, liabilities, damages, losses, costs, expenses, or fees (including reasonable legal fees) resulting from:

1. Your violation or breach of these Terms or any applicable statutory law;
2. Any fraudulent, deceptive, or misleading documentation, invoices, or KYC credentials submitted by you;
3. Your infringement of any third-party intellectual property or privacy right;
4. Your willful misconduct, negligence, or unauthorized tampering with software infrastructure.

[15] GOVERNING LAW, JURISDICTION, AND DISPUTE RESOLUTION

FLAG FOR OPERATOR CONFIRMATION: These Terms and any dispute or claim arising out of or related to them shall be governed by and construed in accordance with the substantive laws of the Republic of India, without giving effect to any principles of conflict of laws.

Informal Resolution: Prior to initiating formal litigation, the parties agree to seek amicable resolution through good-faith technical consultation. Any notice of dispute must be transmitted to mohdfuzail.dev@gmail.com.

Exclusive Jurisdiction: If informal discussions fail to resolve the controversy within forty-five (45) business days, you irrevocably consent and submit to the exclusive personal jurisdiction and venue of the competent courts located in New Delhi, India.

[16] SEVERABILITY, ENTIRE AGREEMENT, AND NON-WAIVER

Severability: If any provision of these Terms is determined by a court of competent jurisdiction to be unlawful, void, or unenforceable, that provision shall be enforced to the maximum extent permissible, and the remaining provisions shall continue in full force and effect.

Entire Agreement: These Terms, together with our Privacy Policy and any application-specific end-user agreements, constitute the entire legal agreement between you and the Operator concerning our software systems.

Non-Waiver: No failure or delay by the Operator in exercising any right, power, or remedy under these Terms shall operate as a waiver thereof, nor shall any single or partial exercise preclude any other or further exercise of any right.

[17] MODIFICATIONS AND AMENDMENTS TO TERMS

The Operator reserves the right to revise or amend these Terms at any time to reflect changing legal mandates, architectural advancements, or commercial requirements. Revisions become effective immediately upon being published at https://fuzailverse.pages.dev/terms-and-conditions/.

Your continued access to the website or applications after updated Terms have been posted constitutes your binding acceptance of the revised provisions.

[18] LEGAL INQUIRIES AND CONTACT PROTOCOLS

For questions, licensing requests, commercial authorizations, or formal legal correspondence regarding these Terms, contact our engineering lead directly:
